Many,

Well, this has been a
great year. Hasn't it?
I'm so excited about
being a junior next
year, though.

Many, I know at times
we haven't gotten along
too well - but I know
now that I was all
wrong cause you
are a precious, wonderful
girl with a sparkling
personality.

Be sweet and I'll
remember you forever.

I am,

Bill

P.S. Be good to Lynn cause
he's a wonderful boy.

SHERMAN, TEXAS

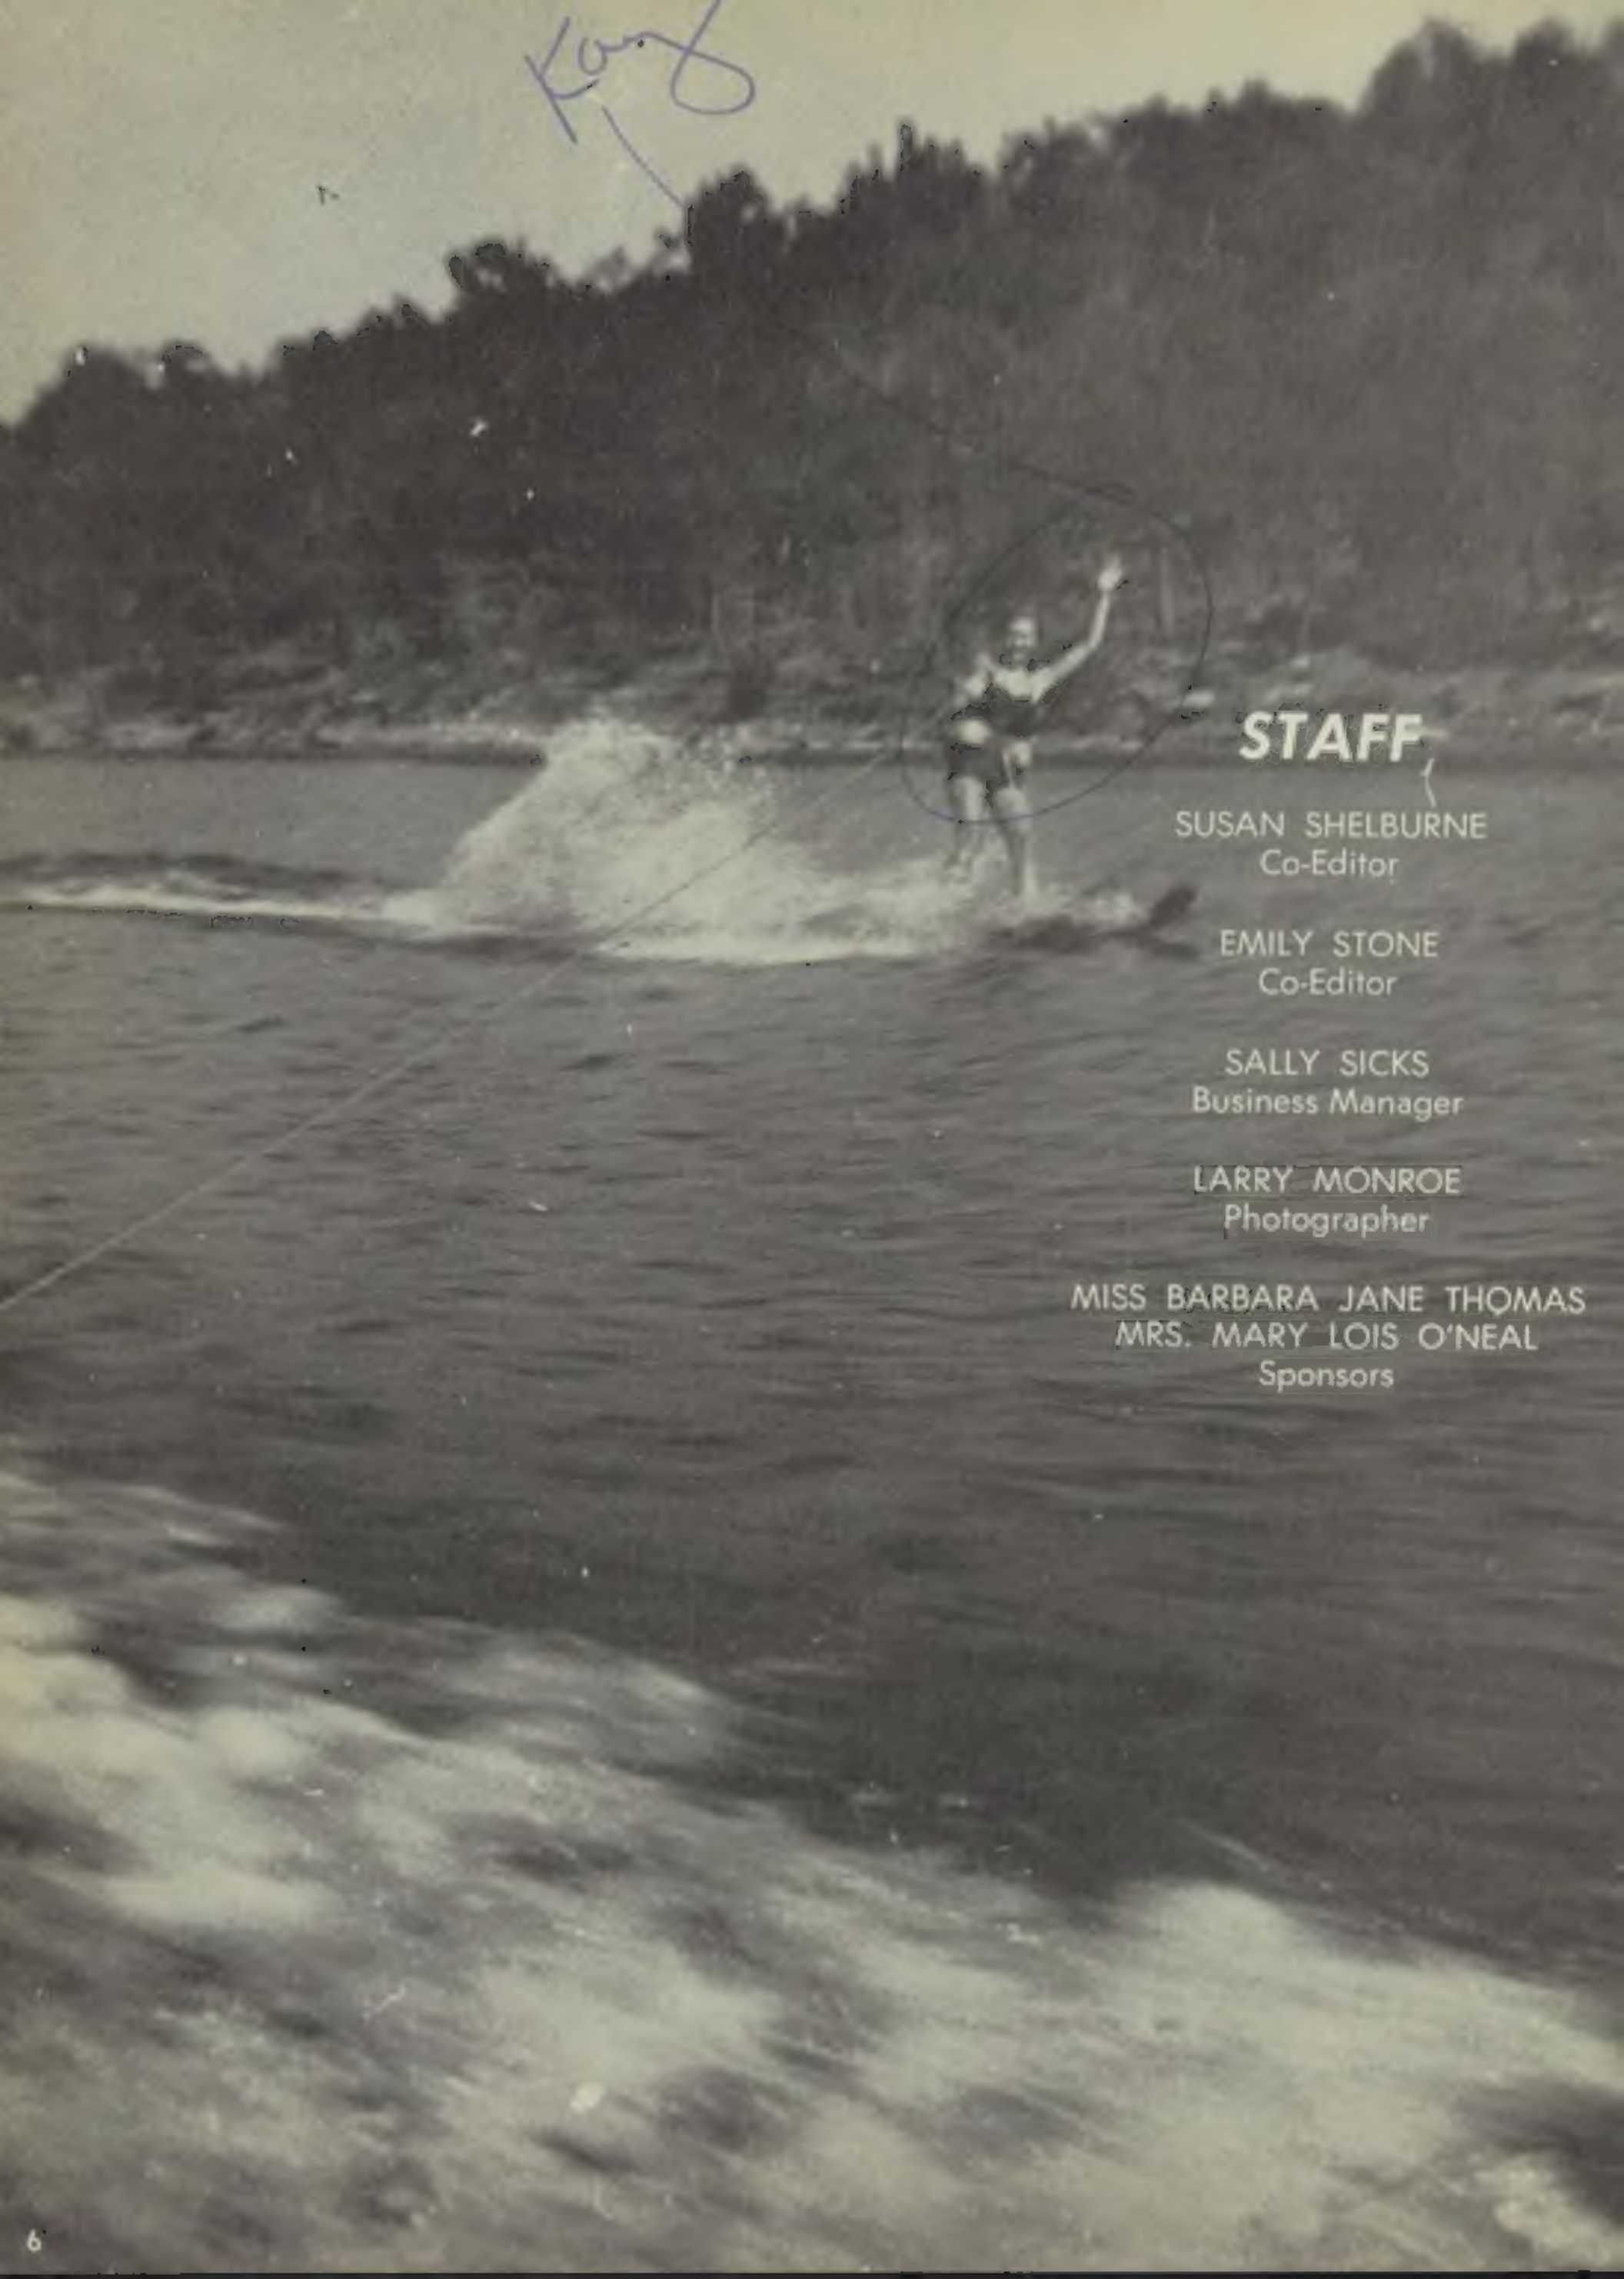

THE ATHENIAN OF 1958

FOREWORD

We have chosen Texomaland as our theme for 1958 because we believe that it is a subject close to our hearts. We have placed special emphasis on Lake Texoma since it is a place where many of our happiest hours are spent and since it provides power for all of Texomaland. We believe that all of Sherman will feel that Texomaland is a beautiful place to live, to work, and to play, and will agree that Lake Texoma plays a large part in our everyday lives.

DEDICATION

Why do we dedicate the ATHE-
NIAN to you?

BECAUSE you came THRU THESE
DOORS at dawn, and didn't leave
till dark, giving your day to youth
—at times not a very rewarding
occupation.

BECAUSE you helped to make this
year of '58 the best year ever.

BECAUSE YOU WERE THERE when
we needed you most, we give to
you the most precious gift we
have to offer . . . the dedication
of a year of work, a year of mem-
ories.

Mrs. Martha Mullins, we dedicate
our book to you.

CLASSES

CLASS OF 1958

SENIOR CLASS OFFICERS

Charles Judd, Vice President; Myrna Sue Higgins, Parliamentarian; Jerry Durham, Business Manager
Linda Wetzel, Secretary; Betty Minshew, Reporter; Jim Keller, President

September 1954 was a big year for about 200 students that had graduated from grade schools to High School and the Class of 1958 were looking forward to the day when we would be big Seniors. The High School seemed very big to us and we were lost all year, because it was so crowded in the building. We had to sit at the back of the auditorium in the 'chicken roost'. Let's face it, we were looked upon as the lowest thing in the school.

Then came our great Freshman year and the school was split into Junior and Senior High. We were the big dogs in our second year of High School. We were the teachers' pets, the rulers of the two grades under us, and various other honors were granted us as the year progressed, the Seniors of 1958. We really enjoyed this year, but we did feel slighted at being left behind in the move to Senior High School.

Finally it came, the big move to High School. We were again the infants in a very grown-up world. At least they felt like they were grown up. We adjusted rather slowly, as we were used to doing pretty much as we felt like doing. When we finally settled down, we realized we were a part of a wonderful group—Sherman High School student body.

At the end of a strenuous year, we were promoted to big Juniors. Our Junior year was much better than our Sophomore one, as we were not considered babies. It went pretty fast, too, since we were thinking of the day in the fall of 1957 when we would get our Senior Rings and officially be Seniors—The Class of 1958.

It finally arrived and we loved every minute of being Seniors in the big school. We, of course, yelled the loudest in pep rallies, clapped the loudest in assemblies, and worked the hardest on school projects. We were glad when graduation came, but we kind of hated to leave. As we leave, we also leave behind the facts that the Senior Class of 1958 is the BIGGEST and the BEST class ever to graduate from Sherman High School.

CLASS OF 1959

JUNIOR CLASS OFFICERS

Jackie Baker, President, Norman Groves, Vice President, Marjorie Hunt, Secretary, James DeBerry, Reporter

Junior High opened its doors to us as eighth graders, causing us to miss all the glory of being "little seventh graders" and the satisfaction of gaining the most attention. After graduating from the eighth grade, we became the Seniors of Junior High. By now we knew the ropes and were loaded with prestige. We even had the best trio in school: "The Three Barefords" - John Danne, piano; Barbara Ray, trombone; and Jimmy Blankenship, steel guitar. They were to become famous even through our Sophomore year and Sophomore Class meetings. When we arrived in Senior High, we were compelled to take a step downward. Our new title "The Babies" wasn't too flattering, but we soon became used to it. The massive building seemed endless. Everyone was running frantically through the halls searching for classrooms. Boy, were we lost! Now we had to give up childish things and grow up a little bit. It took time, but it was worth it. As we look back on our Sophomore year, we shudder to think we ever acted like we did. From Sophomore to Junior is a big jump.

Graduation came before we knew it and we were Juniors. AT LAST! In fact, we feel like we know almost as much as the Seniors. We look forward to next year with great anticipation. We will be Seniors. After four long years, The Senior Class of 1959 will be Seniors.

CLASS OF 1960

SOPHOMORE CLASS OFFICERS

John Kyle, President, Billy Nobles, Reporter, Freddy Galt, Secretary, Missy Lamb, Vice President

The Class of 1960, having been the first class to go all the way through Junior High, feels very privileged. Everyone was completely dazzled by the way Junior High operated, but we did not get away with quite as much as we did in grade school. Everyone tried to the best of his ability to have the very best record and tried to be looked upon with respect. Although we were rowdy, we still proved ambitious.

By the time we were in the eighth grade, we seemed to calm down a small bit, but that never kept us from having a good time. We were gaining power all the time; we now had control over the seventh grade class.

When we obtained the highest peak in Junior High—the privilege of being the “top-dogs,” we really felt great. At the first of school, we had so many privileges we were beside ourselves, thinking we were about the most wonderful bunch of kids in the world. This ceased within a couple of months, as we were told we weren’t the greatest people in the world. This never seemed to stand in our way, though.

This year our little world completely changed. We moved to High School. We were scared silly at first, but we soon found it was a good place to be. I don’t believe anything has ever been so hard for us before as adjusting to this school’s rules and regulations. It wasn’t that we at Junior High didn’t have the same rules; I was just that we never obeyed them before. Soon, however, we earned that it wasn’t ladylike or gentlemanlike to go through the halls at a ninety-mile rate, chew gum, knock others around, or to scream at the top of our lungs during the five-minute break between classes. We earned not to lay books on the Bearcat Table, go through the “Senior Door” to the auditorium, and move during the school song.

Although we weren’t too happy with this school at first, we now love, appreciate, and respect it. When we are Seniors, the Class of 1960, we hope we can be as wonderful as the Class of 1958 has been. As Mr. Sory says: It can be done!

Remember the story of the man who traveled over all the world seeking to find diamonds, only to return home and find them in his own back yard? Since you live so near to our campus, Austin College is practically "in your own back yard." We hope that you are not overlooking the possibilities of beginning your college education here at home.

many Ann.

Well, one year is already gone. We're almost Juniors and I'm proud of it. But, in a way, I wish we were still in Jr. High.

You'll never know what a true friend you've been to me. You're someone I can trust and rely on and to keep my innermost secrets. You really mean a lot to me.

Best of luck always to you and Lynn and everything will work out just the way you want it to.

To a nice girl & friend I hope we can always be good friends and do what you can for me, you know what I'm taken about lots of luck with Lynn because he is a mean boy.
